

Pre-booking GSK Flu Vaccine for the 2026-2027 Season

GSK is currently pre-booking Fluarix Trivalent and FluLaval Trivalent influenza vaccine. PAA members linked to our GSK contract and ordering through this agreement will receive the following benefits:

1. **2% Prompt Pay discount** (net 90 days).
2. **Early Reservation Discount** – Members who pre-book on GSK Direct by 3/31/26 will receive a 2% discount on their 2026-27 pre-booked purchases.
3. **Delivery** – Customers who prebook by 3/31/2026 are eligible for a delivery guarantee and will receive a 10% discount for late delivery, at the fault of GSK, if doses are made available after 10/18/2026.
4. **Returns** – Members can return up to 15% of each branded presentation of GSK Flu vaccine purchased via GSKDirect for full credit.

Product	Contract Price Per Dose	Price with All Applicable Discounts
Fluarix Trivalent 0.5mL Prefilled Syringe	\$18.08	\$17.36
FluLaval Trivalent 0.5 mL Prefilled Syringe	\$18.08	\$17.36

Prices do not include Federal Excise tax of \$0.75 per dose. Discounts, delivery guarantee and returns only available on doses pre-booked and purchased directly from GSK via gskdirect.com.

3 Ways to Pre-book:
